

FOOT VALVE EXTRACTOR FITTING

Model 233-FV

The **Model 233-FV Foot Valve Extractor Fitting** permits easy removal and reinstallation of the Model 22 Double Poppet Foot Valves or Model 900 Single Poppet Foot Valves sizes smaller than 1½". The removable access cap is gasket sealed to prevent loss of prime due to air leakage.

Suggested Specifications

Furnish and install at the tank suction stub exit the **Model 233-FV Foot Valve Extractor Fitting**. If the riser pipe is extended to grade, protect the installation with a Preferred Utilities Mfg. Corp. 4" **Model W** Watertight Fill Box. The foot valve extractor fitting shall be a Preferred Utilities Mfg. Corp., Danbury, CT, **Model 233-FV**.
